## Welcome Our New CAO

### *A message from the Mayor*

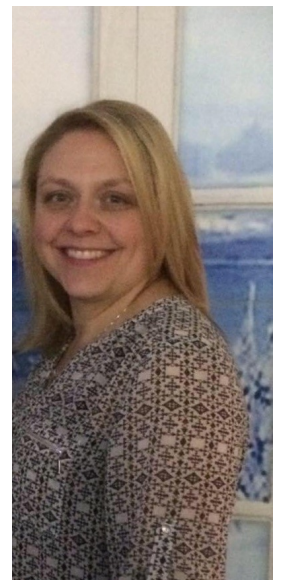

It is with great pleasure to announce that Susie Dziwenka has been hired as our new CAO for the Town of Rainbow Lake effective April 1, 2017.

We believe that Susie, along with the great support of all the employees of the Town, that our Town will be viable going forward in all of our endeavors.

**~Michelle Farris, Mayor~**

Susie has worked at the Town of Rainbow Lake since November 2015. During this time Susie has been our Project Manager and has accomplished so much in her short time here. Susie is dedicated and works really hard for what she believes in. Once she puts her mind to something she won't stop until its achieved. Susie has helped run the 50th Anniversary, taken charge of the new Cable and Internet upgrades, has taken on the role as Airport Manager, has helped planned and organized our Fire smart program, and many more.

We would like to say Congrats to Susie on her new position. We know you will do great!
