Dan Fletcher has been the CAO of Rainbow Lake since June 1, 2013. Dan has been a great addition to the town and has been a pleasure to work with. He is always professional but knows how to make work fun at the same time. From all of us here at the Town Office we want to say thank you for making these past few years an adventure we will never forget. We wish you and Shannon all the best and we hope that you won't be a stranger.

"Goodbyes are hard to say when you are losing a vital and key player in the dynamics of our little Town. In the four years that you were here, you brought leadership and friendship to a whole new level. Dan, you have been the reason that things have been accomplished because of your drive, determination, perseverance and personality and for that you will be truly missed. On behalf of the Council, we wish you and Shannon all the best in your future endeavors." - Michelle Farris, Deputy Mayor

As of now the decision has not yet been made as to who the new Chief Administrative Officer of Rainbow Lake will be. Once the decision has been made we will make sure we inform the public.
