Devonian Park

We are excited to announce that the upgrades scheduled for this summer to Devonian Family Park are officially underway!! With the help from our Public Works crew and D'Aoust Environmental, we were able to recently plant 20 Maple Trees, 20 Crab Apple Blossom Trees, and 10 Mayday Trees, all from Sunscape Gardens in High Level. The crab apple trees are blossom trees only and don't produce full size apples, only tiny buds for birds to enjoy. We should see no increase in bear activity in the park. Please keep your eyes open for more upgrades and touch ups that will be taking place in the park through out the summer, as well as the building of the new dog park!!
