

Request for 2022 Dust Suppression Tender

Project:

The contractor will apply water for dust suppression using spreader bar on specified gravel roads within the Town of Rainbow Lake.

Scope of Work:

- The contractor shall supply all the necessary equipment, material, and qualified staff to provide the service.
- Water may be obtained from the raw water intake station at no cost to the contractor.
- The watering will be limited to the following list of streets unless otherwise directed by the Town of Rainbow Lake:
 - Home Road
 - Imperial Drive
 - Husky Way (new industrial subdivision road)
 - Mobil Avenue
 - Banff Avenue
 - Del Rio Street
 - Aquitaine Avenue
 - Rainbow Drive East
 - Scott Road

Special Conditions

- Since it is not possible to determine a specific schedule for the service, the service will be activated as required by the Town of Rainbow Lake.

Tender Conditions

- The tenders shall include the rate per load delivered and spread.
- The tender shall include an hourly rate for any extra work as may be required.
- The tender shall include the load capacity of the equipment being used.
- The contractor shall be required to provide certified equipment and qualified equipment operators.
- The contractor shall provide proof of a valid safety certification.
- The contractor shall provide proof of general liability insurance in an amount not less than two million (\$2,000,000.00) per occurrence.
- The contractor shall provide proof of Workers Compensation Board coverage.

Deadline for Submission

- Sealed quotations clearly marked **2022 Dust Suppression Project** will be received at the Town Office up to and including Monday, May 6, 2022 3:00PM.
- At their sole risk contractors may submit a tender by fax to 780-956-5613.
- Tenders will also be received via email at dfletcher@rainbowlake.ca.

Selection

- The Town reserves the right to accept or reject any or all tenders and to waive irregularities and informalities at its sole discretion.
