Donations

We would like to send out a huge THANK YOU to Cenovus Energy for their generous donations to the Rainbow Lake Nursery School, the Rainbow Lake Youth Centre, and the Rainbow Lake Golf and Country Club.

The Town of Rainbow Lake also matched each donation which resulted in the Nursery School and Youth Centre, each receiving a cheque for \$3,000.00 and the Golf and Country Club received a cheque for \$4,000.00

We also want to say thank you to each of these organizations for always being a place that the public can go and enjoy themselves. Our community may be small but it's because of all the different organizations, groups, and volunteers, that makes Rainbow Lake the Town that it is.

Gas Riser Project

The town has initiated a program to safely handle the gas risers on vacant lots. Arrangements can be made through the town to remove the riser back to the property line, cap it and make sure it is ready for the next time gas services are required to the lot. The Town has negotiated a rate with our contractor of \$600/riser and will pay 50% of this amount under this program. This service is being offered to residents for \$300.00 per riser. There are 2 benefits for going this route:

1. It will eliminate the \$15.00 per month gas riser fee.
2. It will greatly diminish potential liability that you as a landowner could face if something were to happen to the riser.

If you choose not to go this route, the gas riser fee of \$15.00 per month will continue and as the landowner it will be up to you to ensure that the gas riser has been secured properly. Securing the gas riser would include covers and barriers to prevent any damage be they from natural elements or human activity (snowmobile etc...).

Please contact the town by calling 780-956-3934, if you wish to have your property added to the Riser Removal List. Once the work is done you will receive an invoice from the town for \$300.00 + \$15.00 GST for a total of \$315.00.

Tree Removal

In response to the last few winds storms that have hit and caused damaged to our town, we are asking that any residence that has a damaged/fallen tree that is threatening and/or damaging infrastructure, to please notify the Town Office. You may contact the Town Office anytime between 7:40am-4:30pm, Monday-Friday by calling 780-956-3934 or by email admin@rainbowlake.ca

Once the office has been notified, we will send someone over to inspect the damaged/fallen tree. Once the inspection has been completed and approved, arrangements will be made to remove the tree to prevent future damage to any infrastructure.

If you have any questions or concerns, please do not hesitate to contact the Town Office.

Nomination packages for the 2021 Municipal Election are now available at the Town Office

Cable Repair

Sometime during the middle of August, our cable tech crew will be back in town working on repairing some more cable/internet issues. We are having an issue with our upstream power which is effecting the internet on discovery, Liekle, Pembina, Chinchaga, Keg, Meander and Naylor. We are hoping that once the one cable line in question is replaced, will resolve the upstream power issue.

During this time, there maybe a disruption in both cable and internet but we will providing an update before the work is to commence

Thank you everyone for your patience and understanding
