Dark and Road Conditions

It's that time of year again when the clocks go back making the evenings darker earlier. Please use caution when driving on the roads as kids are out playing and people are out walking. If it's possible please were reflective clothing when outside at night to make it easier for motorists to notice

you. Also with all this freezing rain we have had, it has made the roads slippery, even with the addition of sand. Please use caution, slow down and drive to the weather conditions. We don't want to see anyone hurt.

Thanks
